Recognitions:

Doug Wright: For his announcement that he is running for Congress. \$100 to the Club and \$100 to his Paul Harris.

Maggie Redmon: For her trips to Trinidad, Kauai, and Clear Creek. Whatever amount she has left owing.

Gene Poch: For putting his Rotary guest to work at the Club meeting. \$25.00.

Joe Wyse: For his oldest daughter's engagement. \$100 (\$75 for his daughter and \$25 for his future son-in-law).

Program: Joe Wyse introduced **Jay Davis** and **Karin Freiberg** from the Shasta College Welding Program. **Jay** is an instructor and **Karin** is a student in the program. There are approximately 225 to 275 students enrolled in the Welding Program. The goal of the Welding Program is to educate students in the full line of welding classes, as well as the ancillary skills needed for a successful career in welding. The Welding Program also emphasizes community service; the welding students have used their skills for various community projects. The program allows students to use the skills they have developed to make things of tangible value that others can enjoy. Some of those projects include the U-Prep Marquee, the Sequoia Garden Gate & Fence, and the Shasta College Mascot Oakey Doakes. **Karin** explained the Welding Program's current project, the Phoenix. In using the remnants of the Henderson Bridge donated to the Welding Program by the Club's own **Randy Smith**, the Welding Program is in the process of

creating a bird sculpture to represent a Phoenix, rising from the ashes. The student welders have currently made a miniature version of the sculpture. When it is completed, it will stand twelve feet tall! Thank you to **Jay** and **Karin** for informing the Club about the wonderful students and projects at the Shasta College Welding Program.
