

## Active 20 - 30 Club

This week our club was graced with a presentation by the Redding chapter of the Active 20-30 club. Current President Ben Dykstra and Vice President Nicki Crane spoke about the history of the Redding club and their current fundraising activities.

The Active 20-30 club is on its third rendition in the city of Redding. The original chapter was started back in 1935, but disbanded in the mid 1960s. The second chapter, Club #143, started again in the early 1970s and disbanded again in the 1980s. The current Club #143 re-chartered again in 2006 and is going strong today.

In 2013 the club received several local awards for their fundraising and community efforts including Non-Profit of the year from the Redding Chamber of Commerce and Rescuer of the Year from the Good News Rescue Mission. They also received recognition from the California State Assembly (Assembly Resolution) and Senate in 2013.

Sundial Film Festival

The Big Race event

They run several annual fundraising events including an Easter Egg Hunt at Alta Mesa Park, the Big Race, Sundial Film Festival, and the Redding Christmas Parade. They use funds raised from these events to put on a Back to School Shopping Spree for underserved youth before each school year, and the Frank Sawyer Memorial Kids Fishing Day.

## Recognition & Announcements

Thank you to Team 6 for coordinating this week's Rotary meeting! This week's invocation was given by Betty Ann Harrison-Smith and the pledge was lead by Jay Farquhar. Tom Stovall introduced visiting Rotarians and guests.

David Howland gave \$100 to the club in recognition of the new Round Table Pizza Clubhouse he opened in Bend, Oregon. Keli Anthis gave \$100 to the club for her new grandson "Thoron". Dar Barzin traded up his old economy car for a Ford Expedition and donated \$100 to the club for the experience. Jim Robinson exceeded Dar's accomplishment by purchasing two cars, "a red one and a white one". He donated \$100 to the club as well.

The club has had a hand in several capital projects around Redding including a playground at Alta Mesa Park in 2008 (the same location where they now hold their Easter Egg Hunt). They built the T. R. Woods playground in 2009, and relocated the One Safe Place playground in recent years.

Relocating the One Safe Place playground

Members of the Active 20-30 club consist of working professionals between the ages of 20—39. Club benefits are numerous, and can include opportunities for personal growth, leadership development, new friendships with peers, community service projects, a positive atmosphere, and fun social events. This is a service club that performs hands-on activities for the good of the community and is staffed by volunteers who are full of life, passion, and high energy.

Thanks for the great presentation!
