Prior to enrolling at Shasta College, she graduated from Clear Lake High School with a 4.0 GPA. She serves as the Events & Activities Officer on the Shasta College Student Senate and is also involved with the Shasta College "Student Life" program. Through these organizations, she has helped to coordinate three blood drives at the College, establish a food drive, and raise awareness about the dangers of tobacco use through a "Kick Butts" Day. **Alyssa** has also been involved in Student Club "Kick-Offs," designed to introduce students to the various organizations available to them at the College. She plans to earn her Associates Degree at Shasta College and then transfer to a four year university to complete her studies. Congratulations to this highly motivated student intent on making a positive difference in her community!

Program: Our own **Greg Balkovek** and **Tom Stovall** had the pleasure of attending the 2016 AirVenture in Oshkosh, Wisconsin, sponsored by the Experimental Aircraft Association (EAA). The event was held from July 24 through August 1 last year at Wittman Regional Airport. It is the largest air show in the country, with over 563,000 people in attendance and some 10,000 aircraft arriving at Wittman Regional Airport and surrounding airfields during that week. AirVenture has it all when it comes to aircraft: Warbirds, Vintage, Homebuilts and Ultralights. In addition to the aircraft on display, there were daily airshows and special interviews with famous pilots. There were two interviews of particular note. **Greg** and **Tom** heard from **Bud Anderson**, a famous World War II ace, and from **Bob Hoover**, a famous pilot who was **Chuck Yeager's** hero. **Greg** and **Tom** were most interested in the Warbirds, where 371 of them were on display. Some of the famous military aircraft included the F-86, the F-4U Corsair, the AS365 Dolphin, the B-25 “Panchito” Bomber, and of course the P-51D Mustang. Thank you **Greg** and **Tom** for an entertaining and inspiring program!
