**Jim Schlueter,
Troy Wilkinson &
President-Elect Greg
(Left to Right)**

New Member Induction: President-Elect Greg announced the induction of a new member, **Troy Wilkinson**. **Troy** is sponsored by **Jim Schlueter**. **Troy** works in Law and Debt Recovery. Welcome **Troy!** We look forward to having you as a member of the Club.

Program: Kathy Malain introduced **Amanda Shufelberger**, a biologist with Sierra Pacific Industries (SPI), who spoke to the Club about “Buddy” the wolverine. In 2006, SPI started a carnivore camera survey to see what carnivores were on SPI land. Trees were baited with chicken as part of the program. In 2008, Buddy was detected on a camera near Truckee. This was a significant discovery because no wolverine had been documented in California since the 1920’s. They had been trapped almost to extinction in the West. Buddy has been documented in the Tahoe National Forest every year since 2008, through 2017. Biologists have determined that it is the same lone male wolverine. Through the recovery of Buddy’s hair, biologists also determined he was originally from the Sawtooth Mountains in Idaho. No one knows how he was able to migrate from Idaho to California. Buddy is the only wolverine currently documented in California and he has received a great deal of media attention. **Amanda** is the co-author of two children’s books designed to educate young persons about Buddy. They are “*Buddy the Wayward Wolverine*,” and “*Buddy and the Magic Chicken Tree*.” Thank you **Amanda** for an interesting presentation about our unique visitor to California.
