

Meeting Date: March 22<sup>nd</sup> 2018

*Do Not Go Where the Path May Lead; Go Instead  
Where There is No Path and Leave a Trail –  
Ralph Waldo Emerson*

Before the meeting, **Jennifer Finnegan** and **Rick Hill** entertained us with their fine musical skills. Thanks, **Jennifer** and **Rick**.

**Getting Started:** **President Richard** announced he did not know what team was responsible for the meeting, so let's just say the meeting was brought by **Team Unknown**. The invocation was provided by **Betty Harrison-Smith**.

**Jennifer Finnegan & Rick Hill**

**Announcements:**

- **President Richard** announced that tickets for the **Redding Summer Celebration**, hosted by Redding Rotary, are available at the back table at our Club meetings. The event will be held on June 16 at 6:00 p.m. It is the Club's primary fundraiser for this year. Everyone is encouraged to buy tickets for this fun event.

- **Amelia Ward** announced that the visiting scholars from UC Berkeley's I-House will be arriving next week and we need ski clothing for them. If anyone has any ski clothing available, please contact **Amelia**. Also, Club members who are skiers are needed for the ski trip on Monday to assist the scholars. Please contact **Amelia** if you are able to help.

**Rachel Hatch**

**Craft Talk:** Fellow Rotarian **Rachel Hatch** told the Club a little about herself and her work. **Rachel** is originally from Iowa. She has been a member of the Club for about ten months. She attended St. Olaf College, Trinity College Dublin and Yale Divinity School. She currently works as the Program Officer for Community Vitality at The McConnell Foundation. One of the priorities of her position is increasing the Foundation's participation in revitalizing downtown Redding. Her focus is on sustainable communities. She also complements other Foundation staff working in children, youth and education; scholarships; and Laos, Nepal, and Yosemite programs. Thank you **Rachel** for allowing the Club to catch a glimpse of your life and work!

**Honor to Youth:** **Peggy O'Lea**, along with Shasta High School Teacher **Travis Bassham**, introduced **Aislinn M.** as the Honor to Youth Recipient. **Aislinn** is a Senior at Shasta High School, where she has a 4.36 GPA. She is a scholar-athlete, having participated in varsity cross country, soccer, and track. She has also served on Mock Trial and Student Council as Class Secretary/Treasurer. She volunteers in multiple capacities, including mission trips to Mexico, where she helped build a church and served meals to the less fortunate. When does she find time to sleep? After high school, she plans to study international affairs and volunteer with the Peace Corps. Congratulations to this highly motivated young woman intent on making a positive impact in the world!

**Peggy O'Lea, Aislinn M. & Travis Bassham  
(Left to Right)**

**Sean Weaver**

**Program:** **Randy Smith** introduced **Sean Weaver**, the founder of Technisoil Global, Inc. **Sean** grew up in Redding and graduated from Shasta High School. He developed a polymer, essentially a liquid plastic, that can be mixed with natural aggregates like sand, soil and granite to create longer-lasting, natural-looking roads and paths. **Sean** started Technisoil in Redding about eight years ago with only five employees. It is now a nationwide company, with products sold across the United States and internationally, including Japan, the Philippines, Russia, Qatar, and Kazakhstan. **Sean** believes a major part of the company's success is being based in Redding. The lower overhead costs with being in Redding (as opposed to Los Angeles or the Bay Area), allow him to experiment and take risks. Technisoil is always working to create new and innovative products in paving and landscaping. More information can be found at [www.technisoil.com](http://www.technisoil.com). Thank you **Sean** for an interesting presentation about a very successful local business.
