Marjeanne Stone

the choices they made. They were told that the success that matters is the success of the unit, not the individual. The recruits were left with three key thoughts: (1) Follow the rules, (2) Serve with pride and honor, and (3) Cherish the friendships. In the military, individual differences melt away and what is left is character. Thank you **Courtney** and **Adam** for sharing with these new recruits the wisdom you have learned. We congratulate and thank these young men and women for their service.
