Exchange Student Jonas

Our soon-to-be-leaving-us Rotary exchange student, **Jonas**, gave a presentation on his year here in the States. He gave us some background on his hometown in Switzerland, his family, and life in general back home. Some of his personal interests include hiking, programming, public speaking, and politics.

Jonas has been a student at Foothill High School this year, and he commented on the warm welcome he received from his fellow students and the open layout of the campus.

He was especially appreciative of his three host families, the Mark & Kelly Ball family, the Chad & Catherine Thompson Family, and the Erik and Kristi Poole family. He also recognized Karen Karnatz as his Rotary counselor.

Here are some photos Jonas shared of his time here in California:

Program: Update on Win River Expansion

The general manager of the Win River Resort and Casino, **Gary Hayward**, gave us an update on the proposed relocation and expansion of their facility to the I-5 Bonnieview area.

Gary showed and artist's fly-over of the new facility and gave some general information about the expansion, including details on the new multi purpose conference center which will allow for double the capacity of their current event center. He described this as a state-of-the-art facility which will allow them to bring in very high-level entertainment acts.

Most of the time during the program was spent answering questions from our club. Some of the things were learned included:

- Not much will change capacity wise on the gaming side of things
- No golf course is being planned
- Their biggest current limitation is parking & hotel rooms - this expansion will address these two issues
- Timeline: beginning of construction in 3 - 4 years
- Access to this new facility is planned to run behind the Hilton Garden Inn
- Potential uses for the current facility may be an assisted living center and expansion of their current health care system
- There will be a separate, dedicated smoking area for gaming
- No plans to cater to the trucking industry - this will not become a "truck stop"
- Plans include a roof-top restaurant & and riverside restaurant
- Facility will provide access to river trails with planned tie-in with existing trails
- This should increase their employee count from around 450 to nearly 1,000
- They are forecasting that visitors will run 80% out-of-town, 20% local
- Primary opposition to-date has been from Rolling Hills Casino and Bethel Church
