Incoming President's Message

Fellow Rotarians: Spillway editor Tom Stovall asked me to write a bit about my expectations as your Rotary president for the coming year. Well, honestly, I don't have any expectations. I don't expect Tom Semingson to behave himself. I don't expect any less diversity of opinion. And I certainly don't expect Joe Cresto and Bob Dicker to sit at different tables. It's a simple equation; no expectations equals no disappointments.

However, being an engineer, I do have a battle plan. My theme for the year is Building a Strong Foundation. To that end your Rotary Club of Redding board of directors and I have been making plans.

We plan to strengthen the foundation of our club by energizing the teams and encouraging more team activities and participation. President Elect Jeff Avery and the team captains have worked out a competition based on attendance and style points for team socials. The winning team's selected charity will get a donation from the club. There will be bonus points awarded to the first team to have a social, so get after it!

We plan to strengthen the foundation of the Keyway Committee by providing more guidance, support and reinstating the Bowl-a-thon.

We plan to strengthen the foundation of our community by continuing our support of scholarship and literacy. We are also pursuing a district grant that will match us 2:1 to fund a life-success seminar for local at-risk teens. If we are successful, Rotarians will have the opportunity to mentor and make a direct difference in the lives of some people who can use a hand up.

We plan to strengthen the Rotary Club of Redding Charitable Foundation by providing better communication of club finances and spending our resources wisely and sustainably.

We plan to strengthen the foundation of club governance by improving continuity between presidencies, directorships and committee leadership.

And finally, we plan to be here come demotion time.

We have a battle plan. The enemy is Chaos. It has been said that no battle plan survives first contact with the enemy, so I do expect that this will be a fun, interesting and productive year.

Teresa Adams

Teresa joined Rotary on April 1, 2010. She has been an active member ever since, participating in a wide variety of the projects and programs that Rotary supports. And if you haven't noticed, she is always smiling, and always gracious, reaching out to all members and visitors alike.

Currently a Board Director of International Services, Teresa also chairs the Keyway Committee, and has been captain or co-captain of 6 Rotary teams! She has been a Reading Rotarian, co-chair of the Community Service Projects, and is consistently a part of the Rotary Thanksgiving Program, Dee's Ding-a-lings, Christmas Adopt-a-Family and on the Attendance Committee. She also has participated in the Job Shadow Committee. The Henderson Open Space and River Trail Projects have also been part of her service. She was an enthusiastic member of the Rotary Demolition at the Empire Recovery.

Teresa was born right here in Redding at what once was Redding Memorial Hospital and now Shasta Regional Medical Center. She attended Redding schools, graduated from Enterprise High School, and went to Shasta College. She wanted to be a CPA but fell in love and married. She and her first husband had two daughters, and not long after, she was a single parent with her girls. Fourteen and a half years ago she and Greg Adams married. Greg was a single dad with 3 boys. So now she has her 2 daughters, 3 stepsons, 3 granddaughters and 1 grandson.

Teresa and Greg are the owners of Pine Street Dry Cleaners. Be sure to stop in. I did so, and got to observe some of the finest customer service I have ever seen. While helping a young lady with restoring a lovely prom dress, Teresa definitely went the extra mile. She proved the axiom that success is doing the ordinary things extraordinarily well.

Her hobbies and interests include traveling, entertaining, spending time with family, sewing, reading, and cooking. "Cooking is my passion." She likes to take cooking classes when Greg and she travel to places like Hilton Head, San Diego, Cancun. They have time shares, and Teresa enjoys the cultures and culinary experiences. She and Greg also have their "project": their 3 story, 4,000 square foot home that is on about an acre of land.

"I've had so many great times in Rotary!" Teresa shared that one of her favorite times was the Waterworks Park Social last year (scheduled again this year in August – Friday August 10th from 6:30pm-10:00). She also says that the Bowl-A-Thon was great fun. "Being a Reading Rotarian was very rewarding. I got attached to some of the kids. The Adopt-A-Family Program family stories are very humbling."

Her advice to new Rotarians: "Get Involved!" It's awkward when you first join and don't know many people. Participate in Keyway. You will get to know so many great members. And as many of our members remind us, Teresa encourages all of us to rotate where you sit so that you meet new people. Take part and participate on the committees. These make being a Rotarian very rewarding.

As Paul Harris said, "Rotary changes us and those we serve. I believe we can change the world one life at a time." Thank you, Teresa. You definitely are involved in touching lives through embracing the principles of Rotary and sharing your enthusiasm with all of us.

June 28th Meeting - A Visit To The Islands

The Past Presidents of our club were our gracious hosts today, and they threw a fun and entertaining island-themed meeting, complete with mai tais, island cuisine and island dancing. **Steve Westlake** was our outstanding master of ceremonies, and the usual roles of service, from greeting to Sergeant-At-Arms to leading the pledge was facilitated by our Past Presidents. Many prizes were given out as well as several recognitions for service to our club. The meeting was highlighted by a message from Past President **Ed Rullman** who set a tone of great expectations for the new Rotary Year.
