Today's Program - Haven Humane Society

Jennifer Finnegan introduced our speaker for today, Mark Story, the Director of the Haven Humane Society (HHS).

Mark began his presentation by giving some history of the organization. Originally founded in 1952, in the mid 1980's it moved to a new location and took over the contract with City of Redding for its animal control services. As of 2013, HHS is in charge of all of the animal control and animal shelter services for Redding, 24 hours a day, the same services for the City of Anderson, from 8 to 5 Monday through Friday, and for Shasta County, they receive animals and do all the licensing with the exception of Shasta Lake City.

Annually, HHS takes in about 5,500 animals in their four-building campus, run by a staff of 50 individuals. Also annually, they spay/neuter over 5,000 animals.

In 2016 HHS made a commitment to be a "no kill" facility by 2021. Mark defined "no kill" as having a live release rate of 90% or higher. For the last 2 years, the live release rate has been over 95% for dogs, and for cats it was 70%, both huge increases over historical averages.

Mark also shared about how the Carr Fire impacted HHS. During this event, they took in about 930 additional animals, which is well above their normal capacity of 400 animals. Anderson provided three store-front buildings as temporary annex shelters, housing 623 of these animals. Over 2,400 volunteer hours were logged, during this time. Additionally, staff looked after more than 1,000 animals (mostly large animals) that were sheltered in place at the owners' homes.

They experienced another challenge with the recent "Snowmageddon" event which left them without power for 2 days.

Financing for their services come in the form of compensation from Anderson, Redding, and Shasta County, as well as adoption fees and fund raisers. On this last point, Mark let us know about the following upcoming events:

- Doggie Dash (see info below)
- Annual Golf Tournament, July 12th
- Open House, May 4th
- Bark, Wine, and Brew, October 5th
