

Meeting Date: June 13<sup>th</sup> 2019

## *Water Is the Driving Force of All Nature - Leonardo da Vinci*

Before the meeting, **Rick Hill** entertained us with his excellent guitar skills. Thanks, **Rick**.

**Getting Started:** **President Greg** announced that the meeting was brought by **Team 2** with Team Captains **Mary Brace** and **Mike Warren**. The invocation was provided by **Marjeanne Stone**.

### **Announcements:**

- **Sunshine Report:** The Club extended its sympathies on the passing of **Claudia Girimonte**, widow of **Nick Girimonte**, on June 11. Please keep the family in your thoughts.
- It was announced that June 13 was **National Kitchen Klutz Day**.
- The Club recognized that June 14 is **Flag Day**.
- This was **President Greg's** last meeting as Rotary Club President. Congratulations **President Greg** on a job well done!
- **Betty Harrison Smith** returned to the Club today. **President Greg** announced that the Rotary Club Board made **Betty** an honorary Rotary member for the coming year so we should be seeing more of **Betty** at upcoming meetings. Welcome back **Betty**!

**Rick Hill**

- **Mary Brace** encouraged Club members to join the Club's Audio-Visual Committee. You don't need much A/V skill, just know how to drag, drop, and click on a computer. For those interested, please contact **Mary**.
- **Tom Stovall** encouraged Club members to place advertisements in the Spillway. It is an easy way to support the Club and also promote your business. For more information, please contact **Tom**.
- **Kristy Lanham** passed along information about the proposed Redding Rancheria Casino Project. She informed the Club that there is a team of community members who wrote a 20 page comment letter to the federal Bureau of Indian Affairs presenting facts about the proposed Casino's impacts. For more information, please contact **Kristy**.
- **Amelia Ward** had two announcements. First, **President Greg's** demotion is on June 27 and she needs to know who will be attending. Second, next week is the Past Presidents' meeting and she needs approval from the Club Board for \$300 to purchase items for the meeting. **President Greg** said that he would make it happen.

**Team Prizes:** **President Greg** announced the winners of the Team Prizes. They were: (1) **Team 1**, for organizing a special meeting on short notice; (2) **Team 3**, for its Cemetery Social; (3) **Team 4**, for its St. Patrick's Day Social; and (4) **Team 5**, from Village People costumes to spam sushi, for always having spirited meetings. **President Greg** said the captains of the teams would meet with him at CR Gibbs at 4:00 on June 13 to sort out the prizes.

**Greg Balkovek & President Greg**  
(Left to Right)

**Rotarian of the Year:** **President Greg** presented the Rotarian of the Year award to **Greg Balkovek**. **Greg** has provided strong service to Rotary for 36 years. He has served on the Board, is a past president, and was the Chair of three committees this year. Congratulations **Greg**! An award very much deserved.

## Recognitions:

**Rubin Cruse:** For his son's graduation with honors from University Preparatory High School and acceptance to Cal Poly San Luis Obispo to study Physics. Whatever he has left on his pledge.

**Tiffany Reguera:** For her winning performance as a first time soccer coach. Whatever she has left on her pledge.

**Missy McArthur:** For her trip to the Baltic States and Russia. \$200 to her Paul Harris.

**Program:** **Greg Balkovek** introduced **Elizabeth Hadley**. **Elizabeth** is the Acting Area Manager for the Northern California Area Office of the federal Bureau of Reclamation. Her office oversees nine dams including Shasta Dam, six power plants that generate 78% of the Central Valley Project's power, and manages roughly 200 water contracts. The Bureau of Reclamation is the second largest producer of hydroelectric power in the nation. Its mission is to manage, develop, and protect water and related resources in an environmentally and economically sound manner in the interest of the American public. For example, Shasta Dam is not only used for hydroelectric power, but also for flood control and maintaining cooler water temperatures in the Sacramento River which helps to maintain fish populations. Thank you **Elizabeth** for sharing with the Club the importance of the waterworks administered by the Bureau of Reclamation.

**Elizabeth Hadley & President Greg  
(Left to Right)**

## Calendar

<b>June 20th</b>	<b>Past Presidents' Program</b>
<b>June 27th</b>	<b>President Greg's Demotion</b>
<b>July 4th</b>	<b>DARK</b>
