Scholarships Scholarships Scholarships

Each year the Rotary Club of Redding gives scholarships to students from local high schools and colleges. The schools included are University Preparatory School, Shasta High School and Shasta College. This year we have added Stellar Charter School and Gateway College.

Each year there is a contest describing how the “ Four Way Test” influences the students life. This year the winner is Sheetal from University Preparatory School. She plans to enter the medical field with her essay showing how the “Four Way Test” has affected her ambitions to enter the medical field. Congratulations Sheetal for the award and a great essay.

This year there were 34 students awarded \$43,000 in scholarships. The following is by school.

Chuck Ryan a man of many talents

Chuck joined Rotary in 1981, and quickly became one of our leaders. He has served on all the club committees, was President from 1997-1998, and shared some truly awesome memories of the highlights in his participation in Redding Rotary. I found him to be a man of few words, but certainly a man motivated by action.

Born in Berkeley, Chuck grew up in Redding and Anderson on a small farm. He went to Enterprise schools from grades 1 to 4 and then grades 5 to 8 in Anderson, graduating from Anderson High School. From there, he attended Cal Poly, San Luis Obispo, graduated with a major in animal science. After his graduation, he moved to Sacramento, and worked for Crocker Bank for 2 years, followed by 12 years with the State Board of Equalization, as a real estate appraiser. He opened his private practice in 1976 here in Redding, and is still active in his profession! He owns Ryan Valuation Services, and appraises commercial, industrial, agricultural properties, as well as right-of-ways and litigation assignments.

Chuck and Susie

Chuck and Susie have been married for 60 years! They have 5 children (4 boys and 1 girl), 6 grandkids and 2 great-grandchildren! They spend time at their Mount Shasta property, gardening, and enjoying the rural and beautiful scenery. Chuck plays some golf at Riverview Country Club, and he enjoys fly fishing, too.

Chuck Running the Beer Balancing Race

He shared his memories of Rotary, especially of his year as president. He said that it was a fantastic experience. The members did a cowboy day at the Magladyr Arena with the visiting Berkeley scholars, and included cowboys like Rudy Balma, Tom Stovall, and Dan Suther. They performed calf penning. The demotion that year was held at Dr. Chet Moore's. The theme was the "Magnificent Seven." Tom and Dan escorted Chuck on horseback, with Chuck riding in on a mule. Another highlight was attending the International Rotary Conference in Glasgow, Scotland.

An editors comment, Chuck and Tom Stovall were on what is called The Modoc Tribe Ride. This is a man's camping and horseback ride in the Warner Mountains. Chuck and Tom were in the boot race. All new members were to put one of their boots in a pile and line up about 100 yards away. The first person to race to the boots, find their boot and put it on then riding back across the finish line is the winner. The only difficulty was all kinds of stuff (pine cones) was in the boot making putting it on somewhat difficult. Chuck and Tom survived the event and had a great time on the ride.

So...for all you newcomers, and all you regulars....Chuck says to get involved. There are a lot of things that Chuck does, behind the scenes, for our community. Rotary is a fellowship of noblemen, not by birth, but by noble actions. Thank you, Chuck, for being a noble Rotarian!

Greg's Recognitions

First up was **Jeff Avery** mentioned his daughter, Allison got a new job closer to home. She is the lab tech for a winery. Jeff pledged what he had left on his pledge. Thanks Jeff!!

Next was **Lucky Jesrani** who was asked about "crimes against the Internet." The crimes part of the recognition seem to be a misunderstanding. More serious was hearing his name called last week Lucky instantly got a cell phone call and left the room. Greg feels this is the "ole I have a call got to go ploy." For that Lucky \$100 to his Paul Harris Fellow. No doubt Lucky had a real phone call and generously pledged the fund anyway. Thanks Lucky!!

Maggie Redmon has a bunch of new cars. She started off with a new Honda Accord but ended up with a Toyota Avalon. Great choices to play musical cars with. Maggie also offered what she had left on her pledge.

Steve Williams has been rubbing elbows with the elite. Steve was spotted at the Master Golf Tournament at Augusta, Georgia. Steve said there was only one special spot at the tournament where one could take a picture. Wanting to remember the event Steve paid \$100 to the club for the memory.

Steve Fitch celebrated two grandchildren graduating college this month. Rachel is a new attorney and Johnathan will be going into Forestry. Overcome with generosity, Steve donated \$100 to the club and another 100 to his Shan.

Mary Brace's daughter is well know for her baton twirling. At 15 years old she has won a national championship and will be representing the United States in France in a world competition. Mary donated \$100 to the club.

Jack Kimple is a newcomer to the club. That doesn't seem to count in President Greg's list of exemptions. Greg jumped right on Jack for a trip to Hawaii and a new grandchild in Oregon. While in Hawaii Jack was treated to an earthquake. The quake seemed to jiggle some coins from Jack's pocket to the tune of \$100 to his Paul Harris and another \$100 to the club.

Randy Smith was asked to mention something about Richard Malotky's new granddaughter but Richard wasn't in attendance. Greg showed a picture which no one believed was Richard's granddaughter. Below are several pictures of Randy's success with his distribution of poppy seed. For the recognition Randy donated \$100 for the poppies. Great job Randy and to all those who helped distribute the seed for this worthwhile project.
