Incoming President's Message

Fellow Redding Rotarians, I want to start off by saying I am honored and deeply humbled to be your club president for 2019-2020. Anybody that knows me will confirm I don't humble easily, but every week when I look around the River Room I am in awe of the collection of talent, philanthropy, and love of our community that I see.

Spillway contributor **Bret Christensen** asked me to tell you my hopes and plans for this coming year, so here goes!

First off, I want to continue to build on the foundation of having fun that past president Ray Stewart based his year on and that immediate past president **Greg Dunbar** definitely continued.

Next, I want to continue the team competition that **Greg Dunbar** initiated last year. I will be tweaking the team payouts slightly. There will be a \$200 quarterly award given to each winning team's charity of choice. The year end winning team will get \$400 for the charity of their choice. Otherwise the same rules apply as last year, including bonus for the first team social so get 'er done!

My theme for our club this year is "Serving Shasta and Beyond!" While Rotary started as a business networking group, it evolved to include the local service projects and international efforts our proud organization is today. As such I am asking all club members to get involved in at least two projects through the club this year. It doesn't matter if it's local projects or international projects. Every bit adds up. There are plenty of opportunities stretching from delivering Thanksgiving baskets to the additional community projects available to us. If someone has ideas for local or international projects, please recommend them to the committee chairs. I'm proud of what our club accomplished locally last year, including the Carr Fire recovery projects we were involved in that will continue into this year and next. I realize that while some members can provide the hands on efforts including manual labor, while others feel more comfortable with just doing donations and/or planning beforehand. Whatever each of you is comfortable with, go with it, just be involved!

I know we'll continue in our scholarship philanthropy, Sentinels of Freedom, Christmas Family gifts, Bell Ringing, and Literacy. I want to also refocus on our RI Foundation giving so we can finally wipe out Polio and help on International Projects. I want to give an even greater focus on community projects and environmental opportunities. Between the Carr Fire and the backlog of work along our streams and the Sacramento River there are numerous opportunities to make a positive impact.

I am honored to be your president over the next twelve months. Each Rotarian in our club has unique gifts and talents. Please feel free to express those to other Rotarians and use them to make our local community and the world a better place.

I'm looking forward to a fun filled and productive year. As Jimmy Buffett so eloquently sang in one of his songs "We are the People Our Parents Warned us About", so be the change you want to see in the world!

A Fond Farewell to President Greg Dunbar

In true Rotary Club of Redding fashion, our send-off to **President Greg** was presented as an impeachment hearing, complete with Special Counsel. Known as the “Dunbar Probe” - double entendre intended - special thanks goes out to the Past President Committee of “Judges”, **Ed Rullman, Pat Corey, Amelia Ward, and John Dunlap**, assistants **Jeff Avery, Rick Fauss, and Teresa Adams**, and especially to **Michelle Nystrom** for serving as Prosecutor and script writer for the skit. Here, in un-redacted format, is the court stenographer’s records of the hearing:

“After a year long investigation into the potentially impeachable acts of President Greg Dunbar, I am here to present to you our findings. The report is 448 pages long of which I have been authorized to release four heavily redacted pages and will now be referred to as the Dunbar Probe.

How well do we really know this man who we elected based on lack of options and bombastic promises? Despite your best attempts at obstruction, we have some things that need to be brought to light. It is clear that you would have done and said anything in an attempt to get elected by all voter demographics groups from cowboys to gangsters.

During your presidency, you held many executive sessions which were never disclosed to the club. Your presidency suffered through not just one Stormy controversy but THREE.

We have yet to see your tax returns.

You may not have built a wall but you did build what is quite possibly the most hideous of Rotary shirts designed by a president to date.

It has been reported that you sent several links to another Rotarian of questionable videos involving “Thai Sticks” and insisted that they open them even after their refusal to do so.

As evidenced in this photo, you are willing to engage in collusion with just about anyone, anywhere.

You have been nicknamed Double Stuf and are known to eat random, expired food from the refrigerator, notably a four and a half week old pie and a shriveled strawberry you found in the back of the fridge showing an utter lack of culinary refinement. We are not sure where you got the idea that this was a presidential quality. While behavior during your presidency has certainly been questionable, it turns out that you have a somewhat questionable past as well.

In 2016 you felt it necessary to go topless in front of children just for a lei.

Your level of professionalism or lack thereof does not lend itself to a presidential demeanor.

In fact, in your absence, your staff is known to do pretty much whatever it wants.

I’m sorry to say that even executive privilege cannot save you now.

Your fate lies in the hands of the past president oversight committee which as you are aware has recently changed hands to the other party.

It is the recommendation of the Special Counsel that impeachment charges now be levied against you as a result of the overwhelming evidence presented as part of the Dunbar Probe.

I will now ask the Past President Committee to vote on the articles on impeachment.”
