

Meeting Date: November 21st 2019

Electricity is Really Just Organized Lightning – George Carlin

Before the meeting, **Marjeanne Stone** entertained us with her beautiful piano playing. Thanks, **Marjeanne**.

Getting Started: President **Jeff** announced that the meeting was brought by **Team 5** with Team Captain **Rachel Hatch**. The invocation was provided by **Jake Mangas**.

Announcements:

- **Dee Domke** announced there is a need for Salvation Army bell ringers. Those interested should e-mail **Dee** at djdomke@outlook.com to sign up.
- **President Jeff** presented **Laurie Baker** with her Blue Badge. Congratulations **Laurie!**
- **Steve Westlake** informed the Club about the numerous projects completed by the Community Project Committee. **Steve** also announced that, on December 14, from 8:00 am to 12:00 noon, there will be a “clean up” of Teton Drive. Those interested in lending a helping hand should e-mail **Steve** at stevewestlake@charter.net.
- **President Jeff** announced that November was Paul Harris month and all Rotarians who are Paul Harris Fellows were acknowledged.

Marjeanne Stone

Steve Clark

Craft Talk: **Steve Clark** told the Club a little about himself. **Steve** was a Navy brat, born in the Philippines. He previously managed a sports bar in Folsom where he met his wife, Cheryl. In 2008, **Steve** became a premises representative for SBC Yellow Pages. And in April, 2018, he purchased Minute Man Press from **Jay Farquhar**. **Steve** never owned his own business or had a printing job before. But **Steve** is a man of faith and knows that God has a plan for him. Thank you **Steve** for sharing your life with the Club and we wish you much success!

Rick Fauss, Amelia Ward & President Jeff (Left to Right)

Honorary Paul Harris Fellowship Award: **Rick Fauss** presented **Amelia Ward** with the Honorary Paul Harris Fellowship Award. The award is to recognize a Rotarian for service above and beyond and **Amelia** certainly qualifies. She has served as a Rotary President, an Assistant Governor, and Governor-Elect. Her accomplishments and services to the community are too numerous to mention. She epitomizes the phrase, "Service above Self." Congratulations **Amelia**. We cannot think of a Rotarian more worthy of this award.

Max H. & President Jeff (Left to Right)

Honor to Youth: **Brian Scarr** introduced University Preparatory High School Principal, **Shelle Peterson**, who presented the Honor to Youth Award to **Max H. Max** is a Senior at U-Prep. He is a scholar, athlete, musician, and student leader. **Max** currently holds a 4.4 GPA and has been recognized as an Advanced Placement (AP) Scholar. He also has been recognized as an Athlete of the Year in Track & Field, and has participated in Cross Country and Swimming. He plays piano and saxophone in the school's jazz band and also produces music for his own YouTube Channel. He is the ASB Student Body President and attended Rotary's Camp Royal. He plans to attend a four year university (hopefully Vanderbilt University) and study either engineering or business. Congratulations to this young man who has an authentic desire to make the world a better place!

Recognitions:

Laurie Baker: For obtaining her Blue Badge. \$25.

Paul Harris Fellows Who Forgot to Wear Their Paul Harris Pin: \$10 each.

Maurice Johannessen: For winning his Coffee Group's World Series Pool. \$100 to his Paul Harris.

Richard Malotky: For his Montana hunting trip (\$100) and his two new grandchildren (\$100 each). Total \$300.

**President Jeff & Dan Blair
(Left to Right)**

Program: President Jeff introduced Dan Blair, who works in the Government Relations/Public Affairs Group for Pacific Gas & Electric. Dan spoke to the Club about PG&E's Community Wildfire Safety Program. PG&E monitors wildfire risks 24/7 from its Wildfire Safety Operations Center. As part of its enhanced wildfire safety efforts, PG&E is also conducting accelerated safety inspections of electric infrastructure in areas of higher wildfire risk. Beginning with the 2019 wildfire season, PG&E expanded its Public Safety Power Shutoff program to include all electric lines that pass through high fire-threat areas – both distribution and transmission. The most likely electric lines to be considered for shutting off for safety are those that pass through areas that have been designated by the California Public Utilities Commission (CPUC) as at elevated (Tier 2) or extreme (Tier 3) risk for wildfire. The CPUC's High Fire-Threat District Map was adopted in January 2018 and can be accessed at

cpuc.ca.gov/FireThreatMaps. While the most likely electric lines to be considered for shutting off for safety will be those that pass through high fire-threat areas, any PG&E electric customer could be impacted and should be prepared. For more information regarding PG&E's Community Wildfire Safety Program, persons can call 1-866-743-6589, or e-mail wildfiresafety@pge.com, or visit pge.com/wildfiresafety. Thank you Dan for shedding some light on a very controversial issue that impacts many individuals.

Calendar
