Message from El Jefe

As this shelter in place and slow loosening of the restrictions continues, I know many of us are missing our social events including our weekly Rotary Club meetings. I thought I would give you an update where we stand currently.

Next week we will be having our Board of Directors meeting via a Zoom call. We will be discussing meeting options for our club. One of these options includes having Zoom calls for our general meetings and having speakers as well. In speaking with Riverview G&CC Banquet

Manager Lynette Trotter, the earliest they anticipate being able to host Rotary Club Meetings may be in July. Like all restaurants they will be reviewing their social distancing set up, service, and other options. We will keep the club informed as this progresses.

I would like to thank those members who donated their March and April "lunch money" to the Food for Thought program. We have collected over \$2500 thus far. As you can imagine this need for those children that are nutritionally at risk is great. We are making a big difference in these kids' lives!

There has been discussion about whether or not there will be a demotion party, I can say that possibility in June is remote. However, maybe later in the year. Rest assured that Jake Mangas will be assuming the reins on July 1st, long live Jake!

My thoughts and prayers are with you all. Stay safe, healthy, and God Bless!

Message From Steve Westlake

Hope everyone is being safe. We have some special people in our club and I would like to give a big 'shout out' to those of you who took on the task of building a Tiny Library during this Pandemic. We were hoping for 2 or 3. It looks like the final total will be 17. Wow!!

If possible, could you get the final product to Pat Corey's office by **Thursday May 7th**. We want to get them all together, take some photos, and get these pictures to the Spillway and perhaps Mike at KRCC. Truly "Service above Self" from these fine folks. Goal is to have them to Pat by Noon on **May 7th**. Thanks again. Steve

The Green Rotary Deal Continues

Despite a combined age over 156 years, two Rotarians accomplished the following in three hours this morning: sprayed a half acre of climax Himalayan blackberry permeated with common poke weed; liberated four large trees from circumferential English ivy growing to a height beyond forty feet; felled and dismembered eight invasive Chinese tallow trees (largest DBH > 6"); readied a salvageable Oregon ash for "come-along removal" of a snow storm broken top, chainsawed another half acre of Spanish broom which was stump treated, hauled, piled and readied for disposal, perhaps this week end; toured the entire 5R Project Central Section and generally had a good time in the wilds of middle Redding along the lovely and lonely Sacramento River.

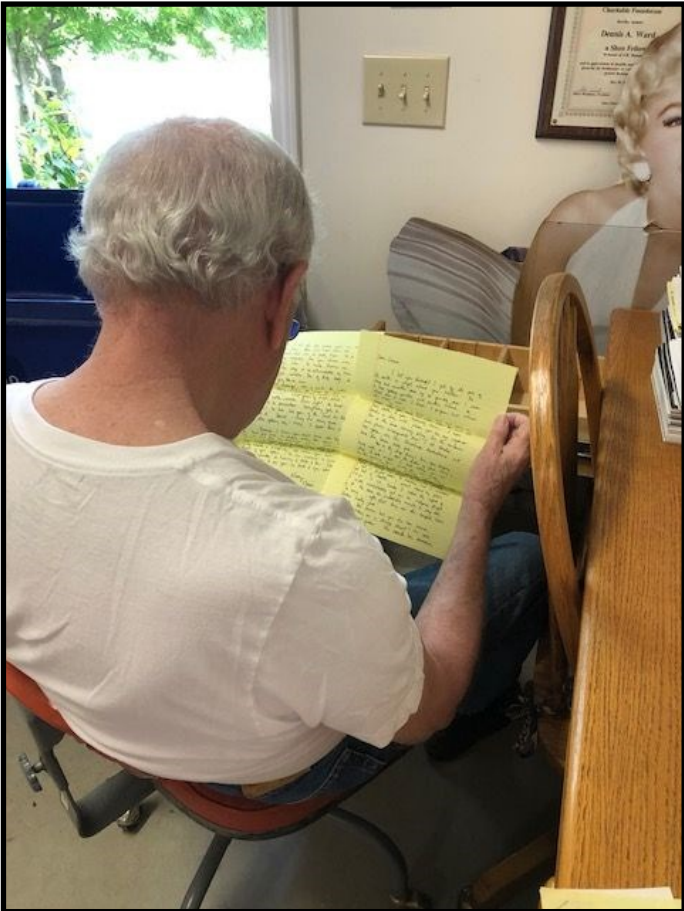

Two ounces of Rotary Tahoe 3A and 8 oz. of Rotary Polaris were used to accomplish proper and permitted treatment of invasive species. Many thanks to Dee Potter who tirelessly used his extensive ranch and resort experience to accomplish a great deal in a limited amount of time. Rotarian Jim Grant would be proud of his disciples' understanding that incremental achievement is often the only way large tasks are accomplished. Aside the effort stained through Dee's shirt, the mostly non native plant morass behind Dee, thence Wood Duck Slough and sixty yards to the River shows how badly this project is needed so that Riverview can be safe, restored and true to its name.

Keep faith, Randy

Rotarians Virtually Zooming Around

Here we have a Team Three virtual Zoom social. The technical ability of the members of Team Three is absolutely amazing. It looks like from what your editor can gather, Amelia Ward was able to have a virtual team meeting. My question is "were there any virtual appetizers or virtual glasses of wine?" That would mean they needed a virtual designated driver for the virtual trip home.

May's Calendar

May 7th	World Password Day. Now what was that password?
May 14th	International Day of Families. Easy to do while at home.
May 21st	National Waitstaff Day. Could be waitress or waiters day.
May 28th	National Hamburger Day. Now there is an idea for order out.

A note for Joseph Hedayattzadeh. Gary Burks brought bottle of water to the CHP Redding Area office. Joseph to honor Gary donates \$100 to the club. Thanks to Gary and to Joseph.

Call for pictures of what people are doing with their lives while staying mostly at home. There are several eye openers in the future, but for now send Tom Stovall pictures of your hobby or relaxing or just being you.
