Rotary Zoom Meetings Are Alive and Well Business During and After Corona

Michelle Nystrom

[Click on the above image or click here to view the presentation.](#)

The Rotary Club of Redding continues to have virtual meetings using the Zoom medium. The numbers of those participating in the meetings seem to be increasing. With the stay at home situation, the Zoom meetings have allowed us not only to continue the Rotary agenda but we can see our members on screen as well.

.At the recent meeting, Michelle Nystrom, from O2 Employment Services gave us an excellent presentation detailing what is happening to the business community during the on going Covid-19 pandemic and what to expect once the infection subsides. The closure of businesses has caused a significant negative effect on the countries economy. Michelle talks about laws that were passed without being vetted, daily guidance from government and businesses left flying blind.

Michelle details two new employment laws passed by government. They are “Families First Coronavirus Response Act” and Coronavirus Aid Relief & Economic Security Act.

Now is the Time. **June 30 Deadline.**

San Ramon Valley Rotary Club recently welcomed a special guest to their weekly meeting: Past RI President for 2014-15, Gary “C.K.” huang, who ZOOMED IN all the way from Taiwan. Gary is currently Chair of the Rotary Foundation Board of Trustees and hence the tie to this month’s Polio Minute and our **End Polio Now** campaign.

Gary’s passion for all things Rotary, and specifically eradicating polio, is contagious. As nearly 200 Rotarians tuned in, he shared wisdom from Confucius that he lives by. Loosely translated:

“Each generation reaps what the prior generation sows.”

We are the generation that sows. We invest today for a better world for our children and our children’s children.

“So, what’s with the June 30, 2020 deadline,” you ask?

As the world of Rotary turned to help meet the demands of the COVID-19 crisis, people’s focus and donations shifted. The Rotary Foundation, itself, distributed \$.48 million to Districts around the globe to fund COVID-19 related needs.

The resulting impact is that we are \$12 million shy to meet the full **Bill Gates’ 2020 Match Challenge to Take Polio Out**. This \$12 million, if raised by June 30, 2020, will generate \$174 million to fight polio. Can we really afford to leave this much money on the table? With help from clubs and Rotarians and family and friends around the globe, hopefully we won’t have to.

Need more incentive? For Rotarians, matching recognition points toward your Paul Harris Fellow are offered for donations of \$100 or more to polio. Contact End Polio Coordinator Bob Rogers at crobertrogers@comcast.net.

If the world could simultaneously hear RI President Gary Huang speak, we would far surpass the \$12 million needed. If you can, please donate. Every \$10 helps. If you can’t at this time, get the word out. It’s simple. Go to endpolio.org/donate by June 30.

Thanks you!
