International Ecotourism & Philanthropy

Keith Sproule presented a very impressive program showing incredible service through out the world. The organization responsible for all this good work all over the world is Abercrombie and Kent. Programs include a community hospital and nursing school in Bwindi, clean water projects in Cambodia, the Rainbow School for children in Peru, ILboru School for Children with special needs, the Masai Mara Conservation Program in Kenya, the Nakatindi Community, Health Clinic and School in Zambia, and the Dipetsana Women's Bike Shop. These are just a few of the programs helping humanity all over the world.

Countries that have these programs include Africa including Botswana, Kenya, South Africa, Tanzania, Uganda and Zambia. Asia has programs in Bhutan, Cambodia, India, Laos, Myanmar, Sri Lanka, Thailand and Vietnam. In the Middle East you find programs in Egypt and Jordan. North America includes only Canada. Oceania has programs in Australia and New Zealand. South America has programs in Peru and Brazil. In Europe you will find programs in Italy and Iceland. Last but not least there are programs in Antarctica. [Click here for the Abercrombie & Kent website.](#)

The diversity of the programs is astounding. All programs fulfill the special needs of people from many cultures. Keith lives in Montana, he travels through out the world promoting these programs.

Now is the Time. **June 30 Deadline.**

San Ramon Valley Rotary Club recently welcomed a special guest to their weekly meeting: Past RI President for 2014-15, Gary “C.K.” Huang, who ZOOMED IN all the way from Taiwan. Gary is currently Chair of the Rotary Foundation Board of Trustees and hence the tie to this month’s Polio Minute and our **End Polio Now** campaign.

Gary’s passion for all things Rotary, and specifically eradicating polio, is contagious. As nearly 200 Rotarians tuned in, he shared wisdom from Confucius that he lives by. Loosely translated:

“Each generation reaps what the prior generation sows.”

We are the generation that sows. We invest today for a better world for our children and our children’s children.

“So, what’s with the June 30, 2020 deadline,” you ask?

As the world of Rotary turned to help meet the demands of the COVID-19 crisis, people’s focus and donations shifted. The Rotary Foundation, itself, distributed \$.48 million to Districts around the globe to fund COVID-19 related needs.

The resulting impact is that we are \$12 million shy to meet the full **Bill Gates’ 2020 Match Challenge to Take Polio Out**. This \$12 million, if raised by June 30, 2020, will generate \$74 million to fight polio. Can we really afford to leave this much money on the table? With help from clubs and Rotarians and family and friends around the globe, hopefully we won’t have to.

Need more incentive? For Rotarians, matching recognition points toward your Paul Harris Fellow are offered for donations of \$100 or more to polio. Contact End Polio Coordinator Bob Rogers at crobertrogers@comcast.net.

If the world could simultaneously hear RI President Gary Huang speak, we would far surpass the \$12 million needed. If you can, please donate. Every \$10 helps. If you can’t at this time, get the word out. It’s simple. Go to endpolio.org/donate by June 30.

Thanks you!

June 18th Zoom Meeting Recognitions

Before President Jeff's the official recognitions began Past President John Mathena wanted to recognize Rotarians going above and beyond during the Covid-19 transdemic. John focused on those delivering food to those stuck at home. Specifically John donated \$200 to Karen Karnatz's son, Kellog's Paul Harris Fellow for her work helping to deliver food.

Your Editor needs to mention that the sound from the Zoom presentation often sounds garbled and very difficult to understand. Thanks to Jenn Finnegan the entire Zoom meeting was recorded. I have listened to the dialogue over and over trying to discern what was said. Frankly it sounds like a cockatoo with a speech impediment. With that said I will do the best I can with the recognitions.

Next Pres Jeff showed a picture of Kristi Davis's beautiful daughters. Kristi's daughter has graduated from the 8th grade. Congratulations!! Pres Jeff mentioned all Redding Rotarians have met their donation levels so the recognitions are all just for fun.

Next was Kristy Lanham with a picture of her daughter. As the sign in the car windshield say congratulations which is for her 8th grade school graduation. This year has been a very different year celebration graduations. Most are by vehicles driving through schools and neighborhoods with great sligns and decorations. Congratulations to Kristy's daughter.

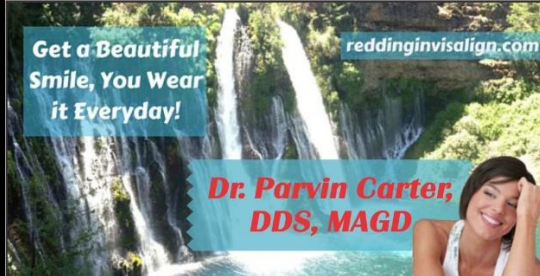

Last but not least is Mark Rincon. Mark is a well know race car driver. The picture shows Mark with his car. The pit support personel are cleaning the mirrors and polishing things up before Mark enters the winners area to celebrate with champagne and all the goodies.
