## Recognitions:

**Mike Mangas:** For being on the Sacramento River and missing most of today's meeting. \$50.

**Where is President Jake?** For today's meeting, **President Jake** was at Kid's Kingdom (virtually) with **Kim Niemer**, the City of Redding's Community Services Director. **Kim** informed the Club about the renovated playground installed at Kid's Kingdom approximately three years ago. It is the only playground north of Sacramento designated as a universal playground, open for children of all abilities. **Kim** also announced that the new Pickle Ball Court has opened. Due to the restrictions related to COVID-19, all of the City's park facilities have seen an increase in use. Thank you for the update **Kim**!

**Joe Wyse**

**Program: President Jake** introduced our own **Joe Wyse**, Superintendent/President of Shasta College, who informed the Club about the use of bond monies from Measure H. Measure H is a local school bond measure adopted by the voters in November, 2016. It authorized \$139 million in bond monies and to date, \$90 million in bonds have been sold. A substantial amount of these bond monies has been going to local contractors to construct the developments. Shasta College has used these monies for numerous school projects. These projects include: (1) A Veterans Support & Success Center, (2) A Regional Public Safety Training Center, (3) A Student Services Building at the Tehama County Campus, (4) A Campus Safety Offices Remodel & Warehouse, (5) A Solar Array, (6) A Career Technical Education Building with a Lab containing Advanced Manufacturing Lab Equipment, (7) A Computer Information Systems Building, and (8) Purchase and Development of a downtown Redding office building to

expand various education programs. There have also been several infrastructure upgrades, including air conditioning for the gymnasium. Future plans include a \$15 million renovation of the Library, with 70% of the funds for that project coming from State issued bonds. These are exciting times for Shasta College! Thank you for the update **Joe**.
