

Meeting Date: September 3rd 2020

The Most Tangible of All Visible Mysteries - Fire - Leigh Hunt

Getting Started: President **Jake** announced the meeting was brought by Team 2 with **Team Captains Brad Rullman and Wendy Dickens**. The invocation was provided by **Rick Fauss**.

Where is President Jake? For today's meeting, **President Jake** was on stage at the new Riverfront Playhouse with Riverfront Playhouse Board member **Karen Taylor**. Riverfront Playhouse has a new location in downtown Redding at 1950 California Street. The new facility has seating for 150 people and expanded concessions. In addition to theater productions, the facility is able to screen films and has space for rent. The Club contributed materials and otherwise lended a hand in constructing the new stage. The Riverfront Playhouse is a community theater and Redding Rotary is happy to play a small part in its development. We all look forward to when productions can resume after the COVID-19 pandemic restrictions are lifted. Thank you **Karen!**

Recognitions:

Gary Burks: For celebrating his granddaughter's second birthday and for having another grandbaby on the way. \$100 to the Club and \$100 to his granddaughter's Paul Harris.

Jeff Avery & Wendy Dickens: For participating in the upcoming "Caffeinate for a Cause" on September 17. During that program, one dollar from every drink sold at local Dutch Bros coffee shop locations will support Turtle Bay's animals and education programs. \$100 each to the Club's Endowment.

Courtney McElvain: For celebrating her parents' 50th wedding anniversary. \$100.

Rick Plummer: For the new housboat he purchased. \$100 to his Paul Harris.

Grant Gifford & Friend

Program: Jenn Finnegan introduced **Grant Gifford**, the Assistant Fire Management Officer with Lassen Volcanic National Park. **Grant** informed the Club about fire management at Lassen Park. **Grant's** primary responsibility is coordinating resources in response to fires. Lightning strikes about two weeks ago resulted in seven fires in or adjacent to the Park. Fortunately, they were all able to be contained to within one acre or less. His other role involves fuels management. Fuels management can be done with selective log removal. An example was the Northwest Gateway Project where fuels were thinned in areas around Manzanita Lake. In addition, they have a Wilderness Cross-Cut Crew that removes dead trees and other fuels without the use of mechanized equipment. Fuels management is also handled through controlled burns when conditions allow. The Park has successfully leveraged grant monies to bring in resources from non-profit organizations to assist in fuels management. Thank you **Grant** for all of your efforts in controlling fires and maintaining the beauty of Lassen Park!

Calendar

Sept. 10th	State of the School System – Judy Flores, Schools Superintendent
Sept. 17th	Racial Equality – Larry Olmstead, United Way
Sept. 24th	Re-Branding Shasta Regional Community Foundation – Kerry Carnaci
Oct. 1st	Shasta EDC Update – Todd Jones
