

## Incoming President's Message

What an honor it is to be elected as Redding Rotary's 100th club president. I am humbled to be joining a long list of Presidents from this great club that started in 1924 with Founding President Jesse Carter

As we have traveled the Rotary journey together now for many years, I keep coming back to how much better we are as people when we are together. We just are!!! This has led me to our theme for this year which is **Better Together**.

My goals for this year are simple:

1. **Meet in person again.** As of mid-June, we have achieved this goal, and it sure does feel good to be with all of you in person again. I am so proud of the work we did as a club last year, keeping our Rotary flame aglow through gathering on Zoom, and then outside at the Gifford Pavilion. I learned though, that as Rotarians, we are "in person" social creatures and crave the human interaction of being together. It is good for us to connect with one another as a club. For those of you that do not know or have not joined us for an in-person meeting, we are convening at the Elk's Club. I encourage you to make that commitment and return in person.

2. **Increase our membership by at least net 10 members.** As of July 1, we are still the second largest club in a district of over 70 clubs. Our membership is stable at 142 members, only trailing the Chico club by 28 members. More members equal "better" things we can do in our community. Increasing membership takes everyone working to invite high quality people in our community to consider engaging in the membership process. Think about who you might invite.

3. **Make our community better.** We do so much for our community, and I want us to continue to do more. Bring your ideas, let's work through them and find ways to improve our society.

4. **Have fun!!!** While Zoom was necessary for us to stay connected, and Jake worked very hard to make it as fun, it could not totally replace an in-person meeting. I think we all learned that being together at one location is more fun. This upcoming year I hope that we will have lots of fun just being together. Whether it is a team/family social or removing unwanted invaders from the impenetrable meadows along the river with the Stream Team, whatever it is you are accomplishing at Rotary, remember to Have Fun!!!!

After a year of extreme complexity in our world, I hope this upcoming year will be simple and fun recognizing that we are all Better Together!!!!

With gratitude and respect,

Joe

# Incoming District Governor's Message

Dear friends,

*It's July 1st! I am honored, excited and truly inspired by all of you as we begin this new year of Rotary in District 5160. My journey to becoming your District Governor has been filled with numerous wonderful experiences. I'm sure you have many of your own in your Rotary career. I am reminded of a quote by a Past President of Rotary International, Sir Clem Renouf, "Rotary takes ordinary men and women and gives them extraordinary opportunities to do more with their lives than they ever dreamed possible."*

*What are the extraordinary opportunities we have in Rotary? With no hesitation, most of us would answer "helping to eradicate polio." I'm so proud of our collective and collaborative work in reducing endemic polio from hundreds of countries down to two. As a young girl growing up in a small rural timber town in Northern California, I remember the sadness when one of my school friends died from polio. I could never have dreamed that I would eventually be in Nigeria with a group of Rotarians and give drops to babies to protect them from polio. Whether you have vaccinated babies, contributed to Rotary's Polio Plus campaign or simply helped to raise awareness that yes, polio does still exist, you have made a difference.*

*The past year gave Rotarians throughout our District many opportunities to step-up in ways we could not have imagined. You collected food for local food banks, you made masks for essential workers and you assisted in COVID vaccine events. I doubt that any of us imagined the extraordinary opportunities in which we found to serve last year.*

*A Rotary Club is a collection of relationships, District 5160 is a collection of relationships and Rotary International is a collection of relationships – all built on friendships and a common set of values. In the past year, we gave up handshakes and hugs, but we didn't give up our core values. We will have questions and decisions to make as our Rotary Clubs create a new normal this year. Let's take this opportunity to create Rotary Clubs that meet the needs of each community, but most importantly, of the members and the relationships we hold dear.*

*I am humbled by traditions that are greater than us but inspired by a vision we share for the world. That brings me to our District Theme for the year: Honor the Past; Act for the Future.*

*I look forward to visiting, learning, planning, and laughing with you as we move through 2021-22 and discover the extraordinary opportunities, we never dreamed possible.*

*All My Best,*

*Kathy*
