Announcements

President Joe Ayer, always a man dressing for success, was seen sporting a fine looking chapeau today. This, ladies and gentlemen, is our Redding Rotary fashion accessory for the 2021 - 2022 year. No retro bowling shirts for this man's year, no indeed, it's a functional AND stylish ball cap in classic gray featuring our beloved Rotary logo. Contact **PP Steve Westlake** today to order yours for only \$20!

Eva Jimenez, as a board member of the Dignity Health Foundation, made us aware of a recognition event planned to give a big "thank you" to the dedicated health care workers at Dignity Health Redding. This will take place at the Dignity parking lot on October 6th from 6:15 pm - 7:30 pm. There will be signs to hold up and give aways to share to show our support and thanks to these health care heroes during their evening shift change. Plan to be there!

President Joe Ayer gave a shout-out and thanks to **Michelle Nystrom** for organizing and hosting a recent Rotary fireside chat for new members. It's been a while since we've had one of these, thanks **Michelle** for taking this on!

A Blood Drive Challenge of Epic Proportions!

President Joe Ayer announced today a Redding city-wide Rotary blood donation challenge. What's at stake? Only the most epic professional wrestling belt which will reside with the Rotary Club in Redding that garners the most blood donations this Rotary year. Stand by for more information and the best throw-down challenges our city has ever seen.

PP Jake (Savage Man) Mangus is shown here throwing down the first challenge on Facebook. Click the photo to view the video.

Today's Program - Airport Updates

PP **Jake Mangus** introduced our program for today, an update on our Redding airports (RDD & Benton) presented by Airports Manager **Jim Wadleigh**.

With more than 22 years of aviation experience, **Jim** was appointed to his position in 2019. His presentation covered three topics, air service, new grants, and future plans.

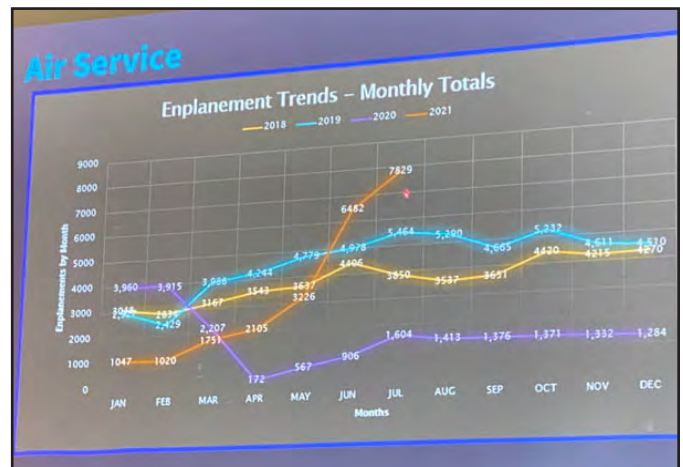

Airports Manager Jim Wadleigh

Air Service

- Redding serves two catchment areas
 - Primary are surrounding Redding, 278,00 population
 - Secondary area south of Redding, 172,000 population (Chico)
- United Airlines Service
 - SFO 3x per day
 - During COVID, was only 1x per day
 - Wasn't until June that United added 2x more per day
 - LAX 1x per day
 - Originally added March 2019, suspended during COVID
 - United brought it back in March of this year
- Avelo Airlines Service to BUR, started May 2021

The graph to the left shows some significant trends illustrating the impact of COVID (purple line for 2020), and the amazing comeback we're experiencing this year (orange line) due to increased travel and additional flights being added.
