### *SECTION C – FOUR WAY TEST ESSAY*

Rotary was created in 1905 and today has grown to more than 2,000 clubs and an estimated 1.2 million members around the world. Rotarians are your neighbors, friends, and community leaders who have come together to create positive, lasting change in our local communities and around the world. The [Guiding Principles](#) of Rotary embrace its motto, “Service Above Self”.

In 1932, Rotarian Herbert J. Taylor created “[The Four-Way Test](#).” The Four-Way Test acts as a guiding set of ethical principles for every Rotarian. Of the things Rotarians think, say or do every day, they are to ask themselves these 4 questions:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. WILL it be BENEFICIAL to all concerned?

Describe a significant experience, achievement, or challenge where you have applied Rotary’s motto of “Service Above Self” or Rotary’s guiding principles of “The Four-Way Test.” Talk about any internal struggles or tough decisions you had to make. What impact did this experience, achievement or challenge have on you or others around you? For example, think of a time when you have put other’s needs ahead of your own, when you have put yourself in a situation to be a helper and a teacher for the betterment of others.

The essay should be 500 – 900 words in length, set in Times New Roman size 12 font. It should be marked as “**Attachment 3**”.
