Announcements

Ryan Burks reminded us about an upcoming event that will give us the opportunity to contribute to the Gary Burks Memorial Scholarship while enjoying a great day at the ball park. Here are the details:

The flyer features a large 'GB' logo in red and blue on the left. To the right, the text reads 'Blue Collar scholar' in a red script font, followed by 'GARY BURKS MEMORIAL SCHOLARSHIP' in a black serif font. Below the logo, it says 'GARY BURKS MEMORIAL SCHOLARSHIP' in red and black. In the center, there are three small photos: a couple, a man with a baby, and a man in a baseball cap. To the right of these photos, the text 'Day @ the park!' is written in a large, white, stylized font. Below this, the 'Rotary' logo is visible. At the bottom left, it says 'SF vs. SD' with the San Francisco and St. Louis Cardinals logos, followed by 'Saturday, May 7th 4:15pm Oracle Park'. Below that, it says 'Join us to celebrate GB's favorite baseball team and help raise funds for the Blue Collar Scholar/GB Memorial Scholarship!'. At the bottom, it says 'Tickets: \$150/person (price includes entrance to the game and a pre-game tailgate party)'. At the bottom right, it says 'TAX ID# 68-0285638456'.

Program - Community Connect

Today, **Wendy Dickens** introduced our speaker, Redding Rotary's own **Judy Flores**, Shasta County Superintendent of Schools. **Judy** spoke on an initiative spearheaded by the Shasta County Office of Education (SCOE), Community Connect.

Community Connect is a collaboration between several area agencies and non-profits to improve the attendance of students K-12 in our county. The steps that each school is taking are:

1. As a school attendance team
 - Review attendance data & trends regularly
 - Determine which families to reach out to
2. Communicate with families & determine reasons for attendance challenges
3. Connect families to resources within the school's sphere of influence
4. Refer to Community Connect if barriers are beyond the school/district's sphere of influence

Once referred to Community Connect, the families are connected with appropriate organizations to bring the assistance and support they need. The current collaborative organizations are pictured to the right.

Some statistics of note regarding this effort's success during the 2020 - 2021 school year:

- 600 students were identified as needing assistance
- Community Connect was able to communicate with 75% of these
- Of this number, 41% of the students & families engaged in support services
- The most common linkage to community-based resources were: basic needs, mental health, education, and behavior
