Announcements

Brad Rullman and **PP Steve Westlake** gave a report on the meals that were served at this year's Shasta Youth Camp happening at Shasta College. Plenty of hands were on deck, everyone had a great time serving together and the students were very appreciative. Thanks to all who turned out!

Pres Mark reminded everyone of our upcoming family event at Water Works Park, please see the flier in this issue of the Express.

Erik Poole asked everyone who had not signed up for their committee assignments yet to fill out one of the forms placed on the tables today. If you still need to sign up, [follow this link](#), or fill out the form attached to this issue of the Express and return to Erik, the club office, or bring it to our next meeting.

Recognitions

Leslie Williem was recognized for her taller-than-she-is son for recently graduating high school. \$100 to the club.

PP Pat Corey was recognized for a very successful fishing outing with his granddaughters. 70 fish were caught, so his fine was \$1.50 per fish, for a total of \$105 to the club.

PP Tiger Michiels was recognized for "hobbling a horse in a no-hobble zone" at the recent Rotary District 5160 Round Up. We suspect this had something more to do with where he parked his car, but regardless, \$100 was contributed to his Paul Harris.

to

Brian Scarr was recognized for taking a trip to Phoenix with **PP Joe Ayer?** (we believe that's actually his daughter). \$100 to the club.

Today's Program - Connected Living

Michelle Nystrom introduced our very own **PP Joe Ayer** who spoke about his workplace, Dignity Health's Connected Living. This organization, with a six million dollar annual budget (does that make **Joe** a six million day man?), is a non-profit serving the needs of seniors in our community. **Joe** explained that there are four main departments to his organization: Adult Day Health Care, Community Services, Multipurpose Senior Service Program, and Safety Net. Connected living has more than 60 employees and more than 200 volunteers serving each year. Here are some specifics about each of the four departments:

Adult Day Health Care

This program serves both the medical and non-medical needs of senior adults with a variety of daytime activities and services such as:

- Supervised daytime program for adults
- Medical or Non Medical
- Services: Skilled Nursing, Physical Therapy, Occupational Therapy, Recreational Therapy
- Opportunity to connect with other like seniors while caregiver has respite
- Meal
- Non institutional social interaction

Community Services

This program covers such things as:

- Foster Grandparents
- Senior Companions
- Retired and Senior Volunteer Program (RSVP)
- Senior Services and Resources
 - Representative Payee
 - Advocacy services
 - Senior Power

Multipurpose Senior Service Program

This department works towards helping seniors live a more independent life by keeping them in their homes and out of convalescent facilities. Some of the things covered here include:

- Personal Care
- Multipurpose Button
- Home repairs
- House cleaning
- Shopping
- Home delivered food

Safety Net

This covers the following types of services:

- Transportation
- Senior dining
- Home delivered meals
- Shasta County Food Bank

A Brand New President's Fundraiser!

There are no jokers involved in this year's presidential fundraiser, but you will need a steady hand if you want to win some cash. **Pres. Mark's** game is the Operation Game many of us remember playing as kids. This year's first contestant (and loser) was **Erik Poole**. Better luck next time, Erik.:
