## Women's Business Center

**President Mark** introduced Team One Co-Captains **Mary Bruce** and **Maggie Redmon** who got things going. **Rachel Hatch** did the pledge, **Joe Wyse** did the invocation, and PP **Tom Semingson** introduced guests and visiting Rotarians.

**Announcements:** **Jack Kimple** gave an update on Polio Plus. There has been an increase of polio cases worldwide. The US has documented its first case in over ten years. There is still a need for funding to combat polio. Contact **Jack Kimple** for information on how to volunteer \$100 per year to go to the Foundation.

**Haunted House Update:** The Rotary Club of Redding will present a Haunted House experience for the community from October 26 to October 31. This will be a great project. Please plan to help.

**New Banners:** Jason Salter presented two banners from clubs he visited on his travels. One was from London and the other from Auckland, Australia. Thanks Jason.

**Craft Talk and Program:** Trisha Funk was born and raised in Redding. She is a 4<sup>th</sup> generation entrepreneur. Since 1982 she has had one business or another, some more successful than others, but all very instructive. She and her husband have four children, all of whom are very active in sports.

**Trisha** is a champion of education, particularly financial education. Starting in 2000, she has been involved in business and financial development. In 2016 she founded **Pennies On Purpose**, a youth financial literacy and entrepreneurial nonprofit to more formally and much more broadly equip our youth with the resources they need to be successful in life.

**Pennies On Purpose** is designed to provide financial literacy and education in young children. There are nine one hour lessons that are taught by financial experts who go into the classrooms and are designed for 4<sup>th</sup> grade, 8<sup>th</sup> grades, and 11<sup>th</sup> grades.

Videos of the classes are also available.

**Trisha** is also the Director of the **Women's Business Center at JEDI** with offices at 1670 Market Street, Suite 112 in Redding and 205 Chestnut Street in Mount Shasta. Its mission is to increase the economic wellbeing of people and communities through business development and local wealth creation. Since 1997 JEDI has served over 9,500 clients who after coming to JEDI started more than 1,000 business, accessed at least \$19.3 million in business capital, and created over 2,600 jobs. The WBC at JEDI offers training, coaching, financial services, loan services, and moral support to underserved entrepreneurs and especially women in Siskiyou, Shasta, Trinity, and Humboldt counties. Its services are not restricted to women and anyone can access them. Nice program, **Trisha**, you are a busy lady.
