Today's Program - United Way Update

Karen Karnatz introduced our very own **Larry Olmstead**, President and CEO of United Way of Northern California (UWNC). **Larry** gave some history to the United Way and then some current info about our own United Way in Redding.

United Way had its start in Denver in 1887 and currently has 1,800 local organizations globally, with a total annual budget in excess of \$5 billion. Our local United Way has been serving the region since 1953, and like all local United Ways, the money raised locally stays local.

Larry highlighted the substantial growth that UWNC has seen over the last 8 years:

| | | | |
|------------------------|----------------------|-------------|---------------------------|
| 2016: 5 staff members | \$750K annual budget | 4 programs | Served Shasta County only |
| 2022: 27 staff members | \$5.4M annual budget | 40 programs | Serving a 9 county region |

He cited much of their growth has come from their ability to pivot to address recent pressing needs. The areas they are currently focused on include fire recovery, homelessness, COVID response, and equity and social justice issues. Larry concluded by reminding us that there are numerous ways to support the work of United Way, from financial support to volunteer leadership opportunities, to local fundraising events like their upcoming Boss of the Toss cornhole tournament.

Recognitions

Eva Jimenez was recognized for appearing in this year's annual publication by the Mercy Foundation North. The double-page article was worth \$100 to her Paul Harris. **Maggie Redmon**, President of the organization, volunteered an additional \$100 to **Eva's** Paul Harris.

Jerry Kelly was recognized for a trip he took to his former stomping grounds in Arroyo Grande where he volunteered with his former Rotary Club there to help with their annual Fish Fry Fundraiser. \$100 to his Paul Harris.

Food For Thought

Kathy Malain shared a video with us today that was created by Pacific Sky Creative to showcase and promote the good work being by Food For Thought. She acknowledged the work done on this video by **Bret Christensen** and his Director of Video Production, **Paul Matta**.

This video will be shown at other Rotary clubs to garner volunteers and support to continue the work. To view the video, please click the photo to the right.
