

Shasta College – Fire Academy and Industrial Programs

Rotary Year 2024-2025, 11th Meeting of 101st Year

PP Tom Semingson, Visitors & Guests

Phil McCarthy & Lindsay Myers, Team 2 Co-Captains

Rick Fauss, President

Eva Jimenez Invocation

President Rick Fauss started the meeting at 12:05pm, as usual!

We had many last-minute changes to the presentation, many links and videos added just before the meeting, and program presentations received when our guests arrived.

This creates a difficult situation for the AV team. There is no time to integrate and test all of this between 11:40 and 12:05 while also playing music and running the ad reel.

The result is:

Thank You Team 2 – Lindsay Myers & Phil McCarthy

Thank You!

To all that accepted nominations and voted!

We appreciate all those who have offered to serve, both those elected and nominated.

Our club is well served when we all get involved and better understand how the club operates.

Being a board member or officer is a great way to get this greater level understanding.

Some members elected in this cycle have run in the past. We encourage any and all to run again next year!

Styling In San Diego

PP Tom Semingson and family checked out downtown San Diego. They enjoyed the history and the restaurants. He definitely looks relaxed. He was so relaxed that \$100 slipped out of his pocket and fell into his Paul Harris! Thanks, PP Tom!

Eva Jimenez, our very own from Shasta College introduced the college's career tech program leaders. Today, we had very nice presentations from two departments within the Career Tech at Shasta College:

The Fire Academy

The Welding Program
