Invocation

President Rick Fauss started the meeting at 12:05pm, as usual!

The gavel and the bell were all still in his possession. He has been a vigilant guardian.

We have noticed that when certain people are not in attendance, the security of the bell does not seem to be in as much jeopardy.

That being said, we always like it when we have all of our members in attendance!

Thank You Team 3 - Eva Jimenez & Leslie Williëm

Work continues on setting up the Haunted House Tents.

Work parties have been well attended and the help for students and other organizations, who have accepted ownership for various tents/rooms has been very helpful.

It also brings the whole community into the effort!

Other Haunted House Announcements:

Judy Maxwell was looking for volunteers to load/unload a horse trailer load of “noodles.” The request was for Saturday, September 21st. Hopefully, many of you responded and she had lots of help!

Leslie Williem asked that we each repost/share information on our own Facebook pages, from the Haunted House page. Here is one of the links:

Remember, our next BLOOD Drive is November 14th!

SOCIAL

Eva Jimenez announced that Team 3 was hosting a “social” at Ross Ranch, which is located on the Shasta College campus. The event was held on Thursday, September 19th. They invited Team 6 to join them. It cost \$30/person for this catered event.

President Rick said he and his bride would be at the event to support the social, hoping that it would encourage other Teams to plan gatherings, too!

PP Amelia Ward is looking for 45 volunteers on November 21st, to staff our 3rd Annual Thanksgiving Dinner Seniors, at the Mercy Oaks facility. This has been a well-received event and the seniors are looking forward to this year's event.

We GOT this! Let's make it happen!

Service Over Self – Helping our Seniors Enjoy Thanksgiving!

Eva Jimenez took an opportunity to “plug” a fundraising event for our multi-organizational training facility, “SHIELD.” The event will be on October 18th and you can learn more at:

It did cost her another \$100 to the club....well spent, I believe!

Recognitions

Tenessa Audette, fellow Rotarian and our Mayor, gave us a short overview of the State of the City Address.

Barry Tippin, our City Manager, will provide more details on the address at our next meeting.

Here is a link to the recently released video of the event that is now available on YouTube:

Dignity Health's new Sierra Pacific Regional Cancer Center - \$70 Million State-of-the-Art Facility

Rotarian and McConnell Foundation Board Member, Eva Jimenez, joins the Groundbreaking Ceremony for this life changing development for Redding area cancer patients and their families!

PP Greg Balkovek and his wife, Kathy, went on a multifaceted trip to the Pacific Northwest. Lots of things while sightseeing and visiting as they bounced around the area. They went to Coos Bay, Astoria, and then up into Washington. As you can see, they enjoyed the Columbia River among other things. After all that fun and visiting, PP Greg managed to find another \$100 for the Club.

Caffeinate with a Cause Video – Dutch Bros.

President Rick acknowledged the effort made by Brian Scarr and Ken Freigher. They were carrying the banner for “Caffeinate with a Cause” by “starring in the promotional video. As you can see, they sported Dutch Bros. costumes which allowed them to show off their super human physiques.

If you knew drinking coffee could whip you into such shape, you would have been drinking far more than you do now!

Of course, no fine was assessed as they were representing our club!

Children's Legacy Center

Kimberly Johnson

Introduced by Jason Salter

Here is a link to Kimberly Johnson's wonderful presentation:

<https://drive.google.com/file/d/19OnuPgupSnbo8kx9y-EkLSEq6MGrL-Yi/view?usp=sharing>

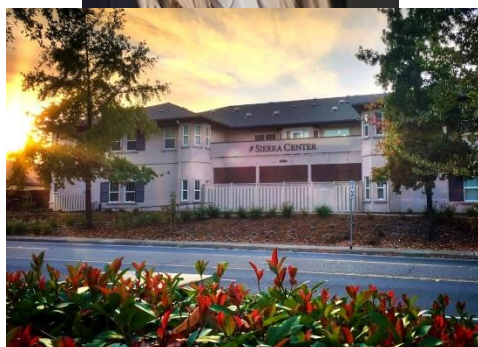

Kimberly provided an overview of the staff, facilities, services, and revenue sources for both *One Safe Place (OSP)* and *Children's Legacy Center (CLC)*. She is now the CEO of both organizations. They have been working to combine these two wonderful organizations to gain leverage in the service offerings as well as attain a more sustainable financial model. Currently, CLC is subsidizing OSP to so that it can maintain financial viability – this is to ensure that it can continue to provide the needed services as it has for decades in our community.

She mentioned that this presentation may be the last time she speaks publicly about the two separate organizations. She hinted that the combined organization will likely support a new brand reflective of the combined mission of the new, integrated organization.

Kimberly founded CLC in 2018. It has served our community's abused children and families very well. It has allowed abused children to limit the number of times they have to speak about any experience they have endured. Multiple agencies such as the local police departments, the sheriff's office, DA investigators and prosecutors, HHSA, etc. can all collaborate at CLC and meet so that interview can occur once by a trained interviewer, in a calming location.

Many of you already knew about the wonderful and important work that OSP does in situations where there is domestic violence. It assists these victims and their children to separate from the violence and begin the process of rebuilding.

Her presentation audio is captured in the above link. We recommend it to all interested in learning more about the services and mission of OSP and CLC.

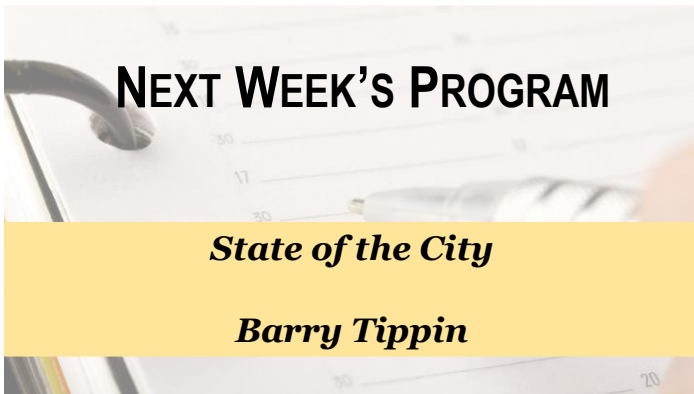

Joe Girimonte had the white ticket for the **TILE Game**. He drew an "H." That was good for \$160!

The person with the number was guaranteed to win today! So, we move on to next week with more money and less TILES and the next word in the **Four Way Test Game!**

A beautiful bouquet of flowers was donated by **Todd Davis**...the winner was **Ian Stripling!**
