Community Alliance Network - Please see the attached flyer in this issue of the Spillway for more information on the Community Alliance Network event coming up on December 14. This event will support 100 families with Christmas gifts and food. Our club is currently the non-profit agent for this organization.

Little Library Installation Project - Brad Rullman introduced a community service project involving the installation of free libraries, encouraging members to participate. See your email for additional details.

Randy Smith, shared exciting news from the Riverview board meeting. The Central Valley Project Improvement Act has provided funding for habitat restoration for the area seen from our windows at Riverview. This development is the result of nearly five years of work by the club. The project aims to be cost-effective, at half the cost of the Nur Pon City Improvement. **President Rick** acknowledged the club's volunteers for their contributions in terms of time, money, and resources.

Recognitions

Mary Brace was recognized for her three amazing kids, **Graciela**, a senior at Shasta High School, **Danny**, a sophomore at Shasta College, planning to become a math teacher, and **Josie**, a senior at Baylor, pursuing a master's in cybersecurity of autonomous things. \$100 to **Mary's** Paul Harris.

PP Art Smithson was recognized for his outstanding service as emcee for the Veterans' Day event in Igo. No fine was levied, just acknowledgment of the great job he did.

Honorary Paul Harris Fellow

Jeanne Jelke discussed the importance of the Rotary Foundation and the Paul Harris Fellow recognition. The club is extending the opportunity to earn extra recognition points through December.

An honorary Paul Harris Fellow award was presented to **Jerry Kelly** for his exceptional service. Jerry has been instrumental in various club activities, including the Haunted House event and leading the AV team.

Members who have received the Paul Harris Fellow recognition were asked to stand and were applauded for their contributions. Members without their pins were fined \$10, contributing over \$100 to the club.

Rotarian of the Month

Jack Kimple was recognized for his behind-the-scenes work, especially during the cleanup of the Haunted House. **Jack** received one of **President Rick's** coveted coffee mugs. Thanks for all you do, **Jack!**

Haunted House Club Cash Giveaway

Today's program highlighted the great partnerships we had with the youth clubs and organizations who served at our Haunted House fundraising event. **Mary Brace** and **Brian Scarr** made the introductions and presented the groups with their cash rewards.

In the photo to the right, the Shasta College Baseball Team was awarded \$500 for their help with, among other things, assembling tents and moving things from storage to the site.
