Craft Talk

Ian Stripling presented his craft talk today. Although he was born in Orange County, his family moved to Redding when he was 3, so we'll consider him a "hometown boy". After being part of the first graduating class of Foothill High School, he graduated from San Jose State in 2003 and began work that same year at Sharrah Dunlap Sawyer. He became a partner there in 2022. Future plans include "taking over the world" :). Great job, **Ian**!

Rotarian of the Month

President Rick is bringing back the tradition of awarding a Rotarian of the Month. For his first month as president, he recognized **PP Ed Rullman**, thanking him for all the support and guidance he's provided during **Rick's** last minute rise to presidency.

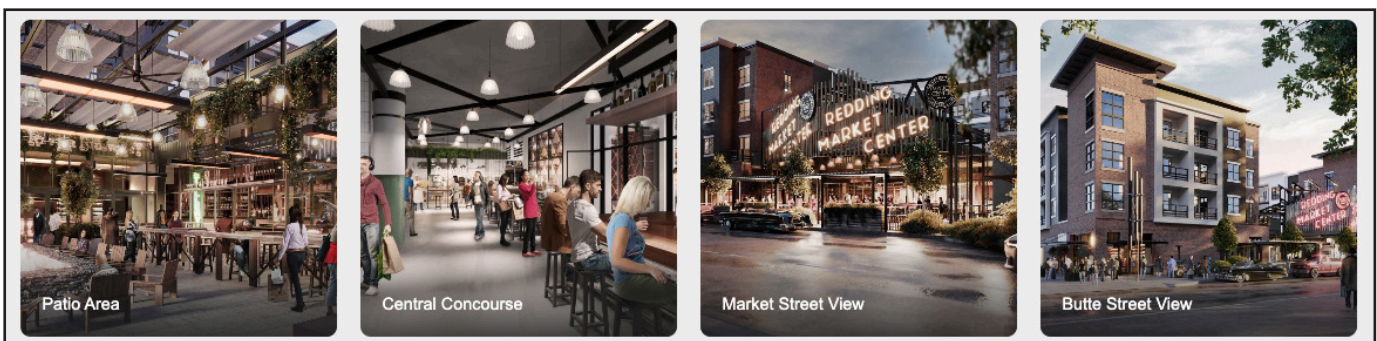

Today's Program - Redding Public Market

Trisha Funk introduced our program for today, our own **Allen Knott**, CEO of K2 Development Companies, and **Erin Ross**, Communications & Asset Ambassador for K2. **Allen** gave some background on the company, and both he and **Erin** shared about the soon-to-be-realized Redding Public Market.

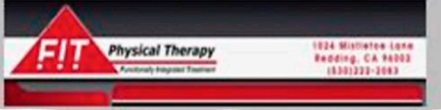

The Market promises to be:

"...a vibrant communal gathering place where local artisans and food, beverage, and retail purveyors converge to offer a diverse array of culinary experiences, and unique local goods..."
