History Minute

In March 1956, our Spillway committee was full of fun and entertainment; our historic files of weekly Spillways demonstrate that sense of humor and I enjoy reading them. Our Spillways today are no different, with a group of dedicated Rotarians putting in several hours every week tallying up everything that happens at our weekly meetings and faithfully producing an amusing record of each meeting.

This week I honor our Spillway Committee and thank them for all they do for our club! Without the Spillway, we wouldn't have a weekly History Minute for there would be no records to pull stories from.

Here's a funny quote from the March 1956 Spillway, after the writer had explained that the Editor was out of town and left the "kids" at home to produce the Spillway unsupervised...

"...Any statement of fact in this issue that turns out to be the truth is pure luck!"

Recognitions

Randy Smith was recognized for a trip to the Rose Bowl Parade and game. The featured float, below, is Rotary International's parade entry. \$100 to the Foundation and \$100 to the Club.
