## A Letter From Your Incoming President

Fellow Rotarians,

When my friend asked me to come to a Rotary meeting in the fall of 2002, I had no idea what kind of special joy it would be to join the ranks of so many incredible leaders to add value to the lives of each other, our community and our world. We can talk all day about “Service Above Self”, but when it comes right down to it, putting myself aside to add value to the lives of others for even a moment is especially challenging. You know what makes that so much easier - when I do that side by side with you!

Years ago, Rotary had a special emphasis on strategic planning, and they offered lots of tools to help each willing club to formulate a five to ten year plan. We first had to figure out the “why” to ensure our plan was built upon a foundation that would sustain us through thick and thin. It was interesting to survey our membership about why each person continued to serve in Rotary. By far, the number one purpose my colleagues continued to serve was fellowship. It makes my day when I get to hang out with you, and perhaps along the way, we will bless the lives of others who need our time and attention.

We’re going to spend more time this year talking about our Four Way Test - not for the purpose of any needed corrective behavior for any special reason in particular. It’s just important for all of us to know that we have each other’s back when we are moving in the same direction with a common moral compass. Your leadership in our community is especially important when it’s put to the test during difficult decision making times. It’s nice to know that we can all agree on the importance of a filter for how we treat each other and our community. I think it makes a big difference in our professionalism and the trust others have in us as a service club.

Let’s have an amazing year as we serve side by side, and please don’t forget to have fun!

Sincerely,

Rick Fauss, Ed.D
