Announcements

Eva Jimenez, while giving the invocation, let us know she had a 3rd post-cancer surgery last week. But the great news is the mass that was removed was found to be benign. As part of her invocation, she encouraged all of us to engage in random acts of kindness during the month of September. Also, she asked us to send a photo, a thought, etc., about each random act of kindness to her, and the plan is to share all of these with the club at the end of the month. Send those to Eva.jimenez@yahoo.com, or text to 530-949-0630.

President Jenn took a quick informal survey to see who was planning to do this Saturday's rafting trip. Based on the survey she canceled the event and cited a number of conflicts happening this weekend.

PP Joe Ayer announced an upcoming awareness event, "Walk To End Alzheimer's" on September 23. Please see the flyer on page 7.

Our annual volunteer Thanksgiving Dinner will happen on November 16th. About 30 Rotarians will be needed to pull it off. More details to come.

This Sunday at 8:00 am volunteers are needed to help install the fencing for the Haunted House. This sweat equity will save us \$1,600!

Bob Nash from the Redding Sunrise Rotary Club announced their annual Mud Run fundraiser to be held at the Nash Ranch on September 16th.

A flyer for the "Mud Run" fundraiser. The top left features two photos of participants covered in mud. The main text on a dark wood background reads: "Run through Streams - Crawl through Mud - Climb over Rope Walls - Survive the Corn Maze! Finish in the Pumpkin Pit!". Below this, it says "SEPTEMBER 16TH 2023" and "Register Today: NashRanchMudMash.com". At the bottom, it states "Proceeds from this event will benefit the programs Redding Sunrise Rotary has established for scholarships, student recognitions and other educational support programs." and includes the Rotary International logo, a peach logo for "MUD RUN AT THE NASH RANCH", a Facebook sign-up button with a QR code, and the text "sign up! scan code".

History Minute

1990 was an exciting year in our club's history. In that one year we sent three students to Camp Royal, had a program featuring (then) Senator Pete Wilson, set a goal to gain 20 new Paul Harris Fellows, assisted Mary Street School in building an exterior shelter, and published an article in the Spillway honoring Gary Burks for the work he did in fundraising for the Boy Scouts of America.

Upcoming Elections

Club elections will take place on September 21st. Here are the finalized candidates:

Recognitions

Rob Adams was recognized for an epic 3 week trip to CO, WY, and ID (did I miss any states?). A Rockies game, a short stint in “jail”, and multiple pub visits were just part of the itinerary. \$100 to the club.

Jeanne Jelke was recognized for buying a new car - a hybrid! With all the money she's saving on gas, she contributed \$100 to her Paul Harris.

PP Joe Ayer was recognized for a couple of events. First, another daughter has been married! There was a local wedding and then a reception in Southern California for the groom's family. Second, he was invited to speak at a national forum. \$100 to his Paul Harris & two tickets to the Haunted House.

Today's Program - Surf Safely

Redding Rotary's own **Tim Thomas** presented our program today. As an IT professional, he gave us an updated version of a program he gave about a year ago on keeping yourself safe and secure on the interwebs.

Tim gave an astonishing statistic, that nearly \$8.5 trillion is lost to online fraud and theft globally each year. The recommendations in his presentation were intended to help keep all of us from being a victim. Tim led out with the following questions:

HOW SAFE ARE YOU TODAY???

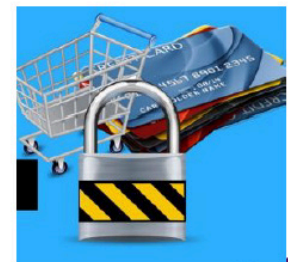

Self assessment -

> A FEW QUESTIONS

- > WHEN WAS THE LAST TIME YOU CHANGED YOUR PASSWORD?
- > IS YOUR PASSWORD COMPLEX?
- > DO YOU USE YOUR EMAIL AS YOUR LOGIN FOR ON-LINE SITES?
- > DO YOU USE ANTI-VIRUS AND MALWARE PREVENTION SOFTWARE?
 - > WHEN WAS IT LAST UPDATED? Pay or Free?
- > DO YOU KNOW HOW TO SPOT AN EMAIL OR TEXT THAT MAY BE HARMFUL?
- > HOW DO PAY?

There was so much great information in Tim's presentation that he has made his slide deck available to all of us. Click on the image below or go to <https://shorturl.at/jsxG0>
