PROGRAM – ATHLETIC SCHOLARSHIPS

More Rotary scholarships were awarded Thursday. This time \$19,000 was divided amongst 12 deserving students who, in addition to being outstanding athletes, have also excelled at school involvement, academics, community service and generally sound character. It is always a pleasure to help outstanding youths in our community. And the winners are.....!

Gavin, from Redding Christian High School, is an All-League Team Member on the swim team. Sporting a 3.98 gpa, he plans to apply his \$1500 scholarship to Engineering and Saxophone Performance Studies at Lee University.

From Fall River High School, **Olivia** is an MVP and All-League Member on her Volleyball and Softball teams, winning the Northern League CIF Title. She plans to study Business Project Management at CSU Chico and carries an amazing 4.55 gpa. Her award is \$1500.

Nicholas has been accepted to UC Davis, Riverside and Santa Barbara, as well as Colorado State, Boise State and CSU San Marcos. With so many choices he's not yet decided where to apply his \$1500 scholarship and 3.96 GPA. A varsity football and track athlete, he plans to study Engineering.

Bria plans to follow in the footsteps of our own Rotarians, father **Randy** and grandfather James, as she pursues a career in medicine, specifically, neuroscience. She will be graduating from Shasta High School with a 4.18 gpa and as a star in tennis, basketball and track. Her many awards include multiple tournament MVP's, Record Searchlight Athlete of the Week and All-League All Northern Section. She has her sights set on UC Santa Cruz where she will make use of her \$2000 scholarship.

Brooks was MVP and All-League for the Mount Shasta High School soccer team; All-League in basketball and ran the 4x400 and 4x100 meter relays in track. He will use his \$2000 scholarship to attend Snow University in Ephraim, Utah where he will study psychology and plans to attend law school after graduating. He carries a 3.9 gpa.

From Fall River High School meet **Ellie**. She was captain of her track team, and as the team MVP she helped the basketball team to the League and Section Championships. She will be attending George Fox University to study Elementary Education.
